Conference to Stage Tennis Tourney at EC

"Everyone for tennis," will be the cry as El Camino College hosts the Metropolitan Conference tennis tournament May 2-3. This will make the second time that such a tournament has been held on the El Camino campus.

Eight teams representing the Metropolitan conference will be present and top players of the Southland will compete in the A and B divisions in both doubles and singles events.

Defending champ, Santa Monica City College, will be trying to retain its title and honor as top team in conference. Leading this defense will be Bob Hill, last year's class A singles champ. Hill has his work cut out for him this year by one of his own teammates, Dick Drake, who has given Hill trouble all year. With this one-two punch, the Corsairs should be able to retain their team championship.

Different Ideas
The El Camino Warriors, however, have different ideas about the team championships. Camino finished the regular season in a second place tie with Long Beach. Both squads were beaten twice by the Corsairs and they split with each other. The Warriors came

close in their last attempt to beat the Corsairs, dropping the match 6-3.

Leading the Camino squad are Howard Johnson and Tom Darnell. Darnell was top man in the class B division last year. Johnson is Camino's number one man and has posted a win over Hill of Santa Monica; this weekend Johnson is traveling to the Ojai Tournament.

Last Meeting
The tournament will constitute the last regular meet of the conference and will precede Southern Regional Tournament to be held May 9-10.

Rounding out the Camino squad are Brian Beckman, Roger Everett, Dennis Moss, and Bob Gilbert. Pairing in the doubles will be Johnson and Darnell; Moss and Beckman, and Everett and Gilbert.

Norm Verry coaches the ECC tennis squad.

WATT'S ON SECOND . . . A mighty good man at the plate is Dave Watts. One of the few returning lettermen on the Warrior varsity baseball squad, he is currently walloping the ball above the .400 mark.

Tartar Track Squad Places 15 in League Finals Friday

Fifteen Tartar trackmen qualified for the Bay League finals next week and two Tartars have won berths in the CIF eliminations as a result of action Friday.

Tartars Gary Huffman, who was first in the Class B high jump; and Bill Weister, first in Class C broadjump, have qualified for the CIF.

Representing the varsity in the Bay League finals are Coach Howard Brubaker puts his squad against the pick of the League will be Jim McDougall, broad jump and pole vault; Dale Lancaster, high hurdles; Butch White 100-yard dash and low hurdles; Manfred Mainer, 100-yard dash; Len Ehlers, 880 and 220; and Sanford Smith, mile.

Class B entrants include Dennis Hansen, 1320; and Frank Corsantino, 660.

All three Tartar relay teams will compete in the finals at Redondo Friday night with the Tartar varsity and Mira Costa battling for the third spot behind Santa Monica and Inglewood. If the Tartars can move into at least the third spot, it will qualify the relay team for CIF competition.

Friday night's league finals at Redondo will get under way at 8 p.m.

CONCRETE MASS

There is enough concrete in the Grand Coulee dam to construct two modern highways extending from New York to the Pacific northwest.

Saxon Golf Team Winning

North High golfers maintained their unbeaten record Thursday by clobbering Culver City, 37½ to 16½ on the Alondra Park green.

The 15th straight win by the locals also set a new school record with a low 226 medal score.

Nick Urban and Steve Crowell, the two top linksters for the Saxons, both shot even par 36 golf while their teammates stayed close behind. Gary Little had a 37 as did Rick Hall; Tony Mance recorded a 38

while Paul Herrera was high man with his 42.

Top match of the day paired Urban with Culver City's ace Steve Callahan. Urban downed his opponent by an 8½ to ½ margin. Callahan had taken an earlier season match with Urban.

The locals meet Morningside Monday at the Inglewood Country Club. The hot-and-cold Morningside entry was dumped 36-19 by the Saxons in the first round of league play.
